

## DELEGATES FROM GHANA (AFRICA ) APPRECIATION

I wish to say a big thank you to TECNA, and Dr. Saravanan, on behalf of my Ghanaian colleagues and on my own behalf, for the good programme organised, and for allowing my colleagues to join in free of charge.

I have received great feedback from them on how much they have learnt and how very grateful they are for the kind gesture. I hope we continue to have similar collaborations with some of our local groups, such as the Society for Nurses in Endoscopy and Minimally Invasive Surgery (SNEMIS) - Ghana, in the future, to continue to expand the knowledge and skills in endoscopy in the African region. Thank you very much.

**Joel M. Kpodo, M.Phil. Nursing, BSN, PON, RGN**  
Endoscopy Lead, Spire Regency Hospital (Spire Healthcare), UK

Skills & Applications Trainer - Endoscopy/MIS  
Peri-Operative Nurse Specialist  
Founder & Chairman SNEMIS-Ghana

## DR BARZANGY CONSULTANT GASTROENTEROLOGIST KURDISTAN IRAQ
