1st ENDOSCOPIC LESION RECOGNITION & IMAGING COURSE (ELRIC)

COURSE VENUE :
MANCHESTER CONFERENCE CENTRE @ THE PENDULUM HOTEL MANCHESTER
DATE : 9th MARCH SAT 2024

Dear Delegates

It's a great pleasure to invite you all to the 1st ENDOSCOPIC LESION RECOGNITION & IMAGING COURSE (ELRIC).

COURSE DESCRIPTION

The main emphasis of this unique course is endoscopic lesion recognition, classifications of various endoscopic lesions, GI imaging, endoscopy reporting & endoscopic documentation. The sessions will be interactive, involve the audience in discussions and management of various conditions.

TARGET AUDIENCE

Gastroenterology trainees and Consultant Gastroenterologists including Trainers
• Surgical trainees and Consultant Surgeons performing GI endoscopy
• General Practitioners(GPs) performing endoscopy
• Nurse endoscopists/specialist nurses and any other personnel performing endoscopy
All other individuals performing endoscopy in the NHS, private & independent Sectors are also welcome

LEARNING OBJECTIVES

- To enhance core knowledge in endoscopic lesion recognition
- To standardise endoscopy reporting terminology based on internationally recognised classifications
- Share experiences amongst endoscopists
- To enhance/develop new training/teaching methods for endoscopic
- Familiarise with GI Imaging /interventional radiology

This meeting offers a unique opportunity for you to network, enhance your knowledge in endoscopic lesion recognition and GI imaging .
I look forward to meeting you all at the course.

Yours sincerely

Dr Ramasamy Saravanan

ELRIC Course Director /Organiser
